

## ***God Encounters Scavenger Hunt***

God often shows up in the small, easily overlooked moments.

- **Something that brings you peace**
- **An unexpected act of kindness**
- **A moment of beauty (nature, art, etc.)**
- **A meaningful conversation**
- **Something that makes you smile or laugh**
- **A reminder of hope**
- **A “coincidence” that feels intentional**
- **A moment of stillness or quiet**
- **An interruption that you were present in**
- **An inner-prompting**
- **Patience when another way would have been easier**
- **Forgiveness when it feels undeserved**
