

Sermon Series:	RED
Today's Message:	Find Your Rhythm
May 14, 2017	Gina Hawkins

We always think if we get together the right formula, magic will happen.

How often do I search for the things of God instead of God Himself?

Questions make room for faith.

Our wrestling is a catalyst for a relationship.

Prayer is an ongoing **conversation** with God.

How God communicates to each of us is going to be different for each of us.

Establishing a rhythm with **God** gives us a rhythm to **life**.

(verses written out on screen)

Matthew 14:22-33 NIV

Mark 6:51-52 NIV

The way to God is through our heart.

To know His **voice**, we need to know **Him**.

Longevity of our relationship with God expands our **view** of God.

God not only wants you to know Him, He wants **you to know you**.

God is not as interested in the purity of our heart as He is our awareness of the reality of our heart.

Our continual conversation with God leads to an **encounter** with God.

Giving God space to connect also gives Him space to work.

God works through the simple things to reveal big things.

Our relationship with God should be one of exploration.

Application Challenge:

What's one thing you can do to create a rhythm with God?

Create a space in your life for silence. Take a few minutes to acknowledge and thank God for His love and grace.

How has your view of God expanded?
